Those who believe that nature will work off a
cough or cold should understand that this is done
at the expense of the constitution. Each time
the system is weakened, and we all know that the
termination of this dangerous practice is a con-
sumptive grave. Don't take the chances, when a
silly-cold bottle of Dr. Biglow's Positive Cure will
safely and promptly cure any recent cough, cold

USE **HALL'S HAIR** **RENEWER.**
It is a medicinal preparation, and, at
the same time, an elegant and cleanly toilet
article. Its action upon the scalp is health-
ful. It nourishes the glands which support
the hair, and causes thin, dry hair to be-
come thick, soft, and vigorous. It restores
the color of youth to locks which have
become faded with age or disease; and
relieves and cures itching, caused by
humors of the scalp. Dr. George Gray,
Nashua, N. H., writes: "It gives me
pleasure to testify to the wonderful effects
produced by Hall's Vegetable Sicilian Hair
Renewer, as observed by me in very many
cases. IT WILL CERTAINLY RESTORE
THE HAIR TO ITS ORIGINAL COLOR. It
cleanses the head of dandruff, and leaves
the hair soft, glossy, and beautiful." F. T.
Sandhien, 1019 Spruce St., Philadelphia,
Pa., writes: "After unavailing trying
a number of preparations to prevent my
hair from falling out, and realizing that I
was fast becoming bald, I tried, as a last
resort, Hall's Hair Renewer. I have used
only four bottles of the Renewer, and am
perfectly satisfied, that it is the best prepa-
ration in the market for checking the
falling out of hair, invigorating the hair
roots, and promoting a new growth."

Buckingham's Dye

truth last week in what we said about the
Baptist minister, but Wednesday came and he
did not, and we have since learned that he is
to go to Penfield. Some misunderstanding.
Miss Adah Clark is home once more for a
short time.

We were very glad to see Mrs. Wm. June's

They also appointed as delegates to the annu-

bath morning that there was a very small con-
gregation at the M. E. church, but those who
went were well paid, for Mr. Dawson, as usual,
gave us one of his best and most practical ser-
mons. His subject was "Conscience." 1 Tim.
1:19. Those who were absent missed one good
sermon.

PENFIELD. May 10th, 1886.
Last Wednesday the M. E. church soci-
al, of Spencer, met at Rev. G. H. Norton's,
in the south part of our town, and judging
from the number of teams headed that
way, we think that they must have had
quite a picnic.

Our village blacksmith, Mr. Wade
Johnson, lately came to the conclusion
that it was not good for man to be alone,
so he brought home a bride, a Miss Hol-
comb, of La Grange.

The meetings at the M. E. church are
still in progress. Mrs. Trego is a very
plain, practical preacher. The church is
being revived and many are manifesting
a desire to forsake their evil ways.
